

23rd annual

BODEGA SEAFOOD, ART & WINE FESTIVAL AUGUST 26 & 27, 2017

SPONSORSHIP FACT SHEET

Join our festival family and become a sponsor of the Bodega Seafood, Art & Wine Festival. We are in our 23rd year of delicious food, awesome wines and beers, excellent entertainment, stellar art and fine craft, and more!

☞ The festival features an array of food vendors, restaurants, and catering companies, with an emphasis on seafood.

☞ Over 50 wineries and breweries from throughout the county and beyond offer tastes in our

Wine & Microbrew Tasting Tent. Our **Wine/Microbrew Shop** features wines and beers being poured for sale by the bottle or case.

☞ **3 stages of entertainment** are another big draw for the festival. Two music stages feature big dance bands to unusual jazz, roots and world music. Our Entertainment Stage offers comedy, juggling, magic and more.

☞ **A unique, juried selection of artists and craftspeople** come from throughout California and across the country to show and sell at this festival.

☞ The festival draws over **10,000 people** in 2 days, and this is an intelligent, food, art and drink-loving crowd: many of whom are loyal festival followers. **Patrons come from Sonoma County and the greater Bay Area. We see heavy concentrations of people from the East Bay, Central Valley/ Sacramento area, Marin and San Francisco.**

☞ Our visitors are all ages, with a **strong representation in the 35-60 range**, 30% families, 30% seniors/ retired, and more than 60% have income levels at or above \$100,000 per year.

☞ The site, less than a mile from Highway One and the Sonoma Coast, is well-known for being the location for the film "*The Birds*", an additional attraction for tourists.

☞ **A portion of festival proceeds go to two non-profit organizations: Stewards of the Coast & Redwoods, the non-profit working in conjunction with the region's State Parks and the Bodega Volunteer Fire Department.**

☞ The event's strong reputation for overall quality is evidenced by the 70% of craftspeople and food vendors who return year after year, and the continued profitability and success of the event.
