

SPONSORSHIP FACT SHEET

Join our festival family and become a sponsor of the 26th annual Bodega Seafood, Art & Wine Festival. Held on a ranch in western Sonoma County, the festival features delicious food, a wide array of wines, ciders and beers, excellent entertainment, stellar art and fine craft, and more! A benefit for two worthy non-profits, this is an event to seriously consider in your marketing plans.

☞ The festival features **an array of food vendors, restaurants, and catering companies**, with menus emphasizing, but not exclusively, seafood. Lots of vegetarian, meat, chicken and sweets are offered as well.

☞ **40-50 wineries, cider makers, breweries, AND NEW THIS YEAR: SPIRITS-MAKERS** from throughout the county and beyond offer tastes in our **Tasting Tent**. Our **Wine/Cider Sales** features product being poured for sale by the bottle or case. We also have a Wine & Beer Booth where we sell by the glass.

☞ **3 stages of entertainment** are another big draw for the festival. Two music stages feature fun dance bands and unusual jazz, roots and world music. Our Entertainment Stage offers comedy, juggling, magic and more.

☞ **A unique, juried selection of artists and craftspeople** come from throughout California and across the country to show and sell at this festival. It is renowned for the quality of the craft.

☞ The festival draws **9,000-10,000 people** in 2 days, and this is an intelligent, food, art and drink-loving crowd: many of whom are loyal festival followers. **Patrons come from Sonoma County and the greater Bay Area. We see heavy concentrations of people from the East Bay, Central Valley/ Sacramento area, Marin and San Francisco.**

☞ Our visitors are all ages, with a **strong representation in the 35-65 range**, 30% families, 30% seniors/ retired, and more than 60% have income levels at or above \$100,000 per year.

☞ The site, less than a mile from Highway One and the Sonoma Coast, is well-known for being the location for the film *"The Birds"*, an additional attraction for tourists.

☞ **A portion of festival proceeds go to two non-profit organizations: Stewards of the Coast & Redwoods, the non-profit working in conjunction with the region's California State Parks, and the Bodega Volunteer Fire Department.**
